Thank you for your interest in the UConn Extension Master Gardener Program!

The Master Gardener program is a service-oriented program developed to help Extension educators assist non-commercial gardeners. This program has a strong focus on volunteerism and educational outreach and enhances UConn’s horticultural education offerings statewide.

Students enrolled in this program receive training in an extensive range of horticultural and environmental topics, including botany, plant pathology, entomology, integrated pest management (IPM), herbaceous and woody ornamentals, edibles, turf grass, invasive plants, and diagnostic techniques for the home gardener.

The classroom portion of the program runs January through April. Each topic consists of three to four hours of online education to be completed before the class date and a half-day in-class session providing more depth and application of information to real-life situations. The classroom portion runs from 9 AM - 1 PM. **We will be offering a Saturday class in Vernon in 2020.**

Following the formal classroom instruction, Master Gardener interns receive hands-on training in the UConn Extension offices or the Bartlett Arboretum; they are supervised in researching a broad range of horticultural concerns, including identifying insects and plants, diagnosing plant diseases, and providing sound science-based cultural recommendations. In addition, interns engage in a wide range of community outreach projects. Examples include community gardens, horticultural therapy, educational booths for programs ranging from Earth Day celebrations to county fairs, and working with the CT Invasive Plant Working Group, just to name a few.

Certified Master Gardeners often remain involved with the program for many years after their certification, both in the community working on garden projects or speaking to interested groups, and in the offices assisting new interns with their training.

Enclosed please find information on the application process as well as the application form, program requirements, class locations, and fee. If you have any further questions, feel free to contact your local county coordinator (see page 6).

Best wishes,

Sarah Bailey
State Program Coordinator

“An Equal Opportunity Employer and Program Provider”
2020 UConn Extension Master Gardener Program

APPLICATION PROCESS

- A completed application must be postmarked by Friday, October 18, 2019, and submitted to the location where you wish to take classes; either at one of the county Extension Centers or the Bartlett Arboretum. Please see the list of locations on page 6.

- Notification of acceptance will be emailed by Tuesday, November 12, 2019.

If accepted into the program, registration must be completed and payment of $450.00 posted or postmarked no later than Friday, December 6, 2019.

PROGRAM REQUIREMENTS

- 100+ class hours. Classroom training occurs on-line as well as one half-day per week for 16 weeks, 9:00 AM - 1:00 PM, January – April 2020 at one of five locations listed on page 6. The Vernon class is a Saturday class.
- 60 hours of in-service and outreach training at one of nine locations (County Extension Offices or the Bartlett Arboretum)

COURSE WORK

- Subject quizzes and graded exam
- Tree/Shrub/Vine identification and research project due by the end of August 2020.
- Attendance at one of five summer diagnostic sessions
- Final diagnostic exam at the end of in-service training
- Final essay due at the end of September 2020

IN-SERVICE OFFICE AND OUTREACH

- A minimum of 30 in-office hours in the Master Gardener office at a UConn Extension Center or the Bartlett Arboretum, primarily during weekday business hours, working with the public answering horticultural questions and researching gardening problems. This work will be under the supervision of a Master Gardener coordinator or volunteer mentor. Some hours may be available in the community during non-business hours.

- 30 hours approved educational outreach and/or community project(s).

- All 60 hours must be completed by the end of September 2020.
2020 UConn Extension Master Gardener Program Application

Classes will start the week of January 6, 2020

Type or print clearly, complete all data requested, attach additional sheets if necessary. This application must be postmarked no later than Friday, October 18, 2019.

Send application to the location where you wish to take your class (see page 6).

For further information, contact your county’s Master Gardener Program Coordinator.

Print or type:

EMERGENCY CONTACT INFORMATION

Name ___________________________ Address: ______________________________________

Phone (H) ____________ (w) ____________ (c) ____________ Relationship ____________
Have you ever applied to the UConn Extension Master Gardener Program before? Yes_____ No_____

This initial Master Gardener volunteer training requires a nine-month commitment leading to certification. It can be the gateway to a fulfilling on-going volunteer experience.

One requirement is to complete 30 hours, primarily in a Master Gardener office. Do you have availability to fulfill that requirement on weekdays May through September?

Yes_____ No_____  
How did you learn about the UConn Master Gardener Program?

Have you ever been certified by any other horticultural program? If so, which one(s)?

Volunteer/Community Experience

An essential element of the UConn Extension Master Gardener program is working with and helping others in the community on a volunteer basis. Describe any community and/or volunteer experience(s) you have had (e.g., school, church, working with seniors or youth, parks, public office). These experiences need not be of a horticultural nature. If you have never had the opportunity to volunteer, please suggest an area where you would like to volunteer, now that you have the time.
Outreach

What type of work would you choose to do for your community outreach? Please check all that apply. *This is not a commitment, but rather a chance for us to determine students’ interests.*

Work with community gardens _____  Speak to groups _____  Computer/Data Entry _____
Write newsletter/newspaper articles _____  Host plant clinics/MG booths _____
Educational gardening _____  Working with youth/specialty groups _____
Other (please note) ________________________________

ESSAY

Certified Master Gardener volunteers share their knowledge and experience with individuals and groups in the local gardening community. Write a short essay on why you wish to become a Certified Master Gardener volunteer. You can include life experiences that may enhance this program, how you see your involvement in community outreach, and any special qualities you might bring to the program. Please print or type. (250 words or less) You may use an additional sheet of paper if desired.
2020 Class Locations and Dates

The 2020 Master Gardener Program will be held in five locations throughout the state. Be sure to pick the location and day that works best for you and check the location where you would like to take the program, indicating a 1st and 2nd choice on the line provided before the location.

Submit ONE application to your first choice of locations at the address listed below. Submitting applications to multiple sites DOES NOT increase your chances for acceptance.

______ MONDAY CLASS Bartlett Arboretum & Gardens, 151 Brookdale Road, Stamford, CT 06903
Coordinator:
Patricia Carroll (203) 322-6971 ext. 18, patricia.carroll@uconn.edu

Enrollment in the UConn Extension Master Gardener program is limited and competitive. We may conduct telephone or personal interviews.

The Master Gardener Program periodically documents classes through photography and video for publicity purposes. Registration in the UConn Extension Master Gardener Program includes permission to photograph you and use your image in publicity materials unless you inform the photographer or coordinator that you do not wish to have your photograph taken.

Partial scholarships based on financial need may be available. Please check if you would like to receive a scholarship application. _____

APPLICATION SUBMISSION/APPROVAL DEADLINES:

This application must be postmarked no later than Friday, October 18, 2019. Send ONE application to the address listed on Page 6 for the class location of your choice. Only one application per person will be accepted.

For maps of County Extension Offices go to: http://extension.uconn.edu/

For directions to the Bartlett Arboretum go to: http://bartlettarboretum.org/

Tuesday, November 12, 2019
Notification confirming acceptance to the program will be emailed out by this date. Please check your email, including your spam filter. Those not accepted will also be notified.

Friday, December 6, 2019
For those accepted in the program, your registration and payment of $450.00 must be posted or postmarked no later than this date. Do not send payment unless you receive a letter of acceptance.

I acknowledge that I have read and understand all of the above.
